Sunday September 26th, 1926.

Operative arrived at the Old Faith Mission at 204 East 79th Street, New York City at 9 A.M. and held the premises under surveillance until 12:30 P.M. and at no time did he observe anybody answering the description of Rev. Hambersky enter or leave the said place. Also I learned that morning session was not being held as same was discontinued last June, and on that occasion the Services were conducted in Hungarian.

Operative next proceeded to 118 Goodrich Street, Astoria, L.I., and held those premises under observation until about 3:30 P.M. and during his stay there at no time did he see anybody answering the description of the subject enter or leave the said premises.

Operative returned to the Mission again and remained there until about 5:30 P.M.

After making inquiries was informed that subject had not been there.

It is operative's belief that the subject does not go home in Astoria or is he connected with the Mission.
